

Tom Pursglove MP's campaign...

TO **SAVE** CORBY URGENT CARE CENTRE

Corby Urgent Care Centre is vital to our town. Not only does it provide first-class care for our residents, but it also relieves pressures on the A&E Department at Kettering General Hospital. NHS Corby Clinical Commissioning Group (CCG) are currently deciding on its long-term future.

It is inconceivable that a town the size of Corby, that is growing all the time, might not have Urgent Care

provision in future. Help me to send a clear message that we want the Urgent Care Centre to stay **OPEN**, for services to be **IMPROVED** and **ENHANCED**, and for it to be a **KEY PART** of the CCG's 'same day access' strategy. The more of these postcards I can present to the CCG, the stronger our case!
