Dear Confrontant,

RE: WESTMINSTER HALL DEBATE ON INCINERATION.

Thank you for your recent correspondence in respect of the Westminster Hall debate held on Tuesday relating to the incineration of industrial and commercial waste.

I am grateful to you for having highlighted this debate to me and understandably, many local people were keen for me to go along to it, given our ongoing fight locally against the Shelton Road waste plant plans in Corby.

I was therefore pleased to go along and you can be assured that, as I always have, I will actively keep supporting local people in opposing these plans at every stage and the Minister has agreed to meet with me to discuss my concerns about incineration more generally following the debate; an offer I will most certainly be taking up.

Once again, thank you for having taken the time to contact me and if I can ever be of any further assistance to you then please do not hesitate to contact me again.

With best wishes,
A handwritten signature in blue ink, appearing to read 'Tom'.
