Dear Constance,

RE: CORONAVIRUS: IRAN SANCTIONS.

Thank you for your recent correspondence in respect of sanctions on Iran and Coronavirus; your comments upon which I have read with great interest.

The UK is working with the international community to ensure Iran receives the humanitarian support it needs during this global pandemic.

The UK, alongside its E3 partners (France and Germany) is offering Iran a comprehensive package of support to stem the rapid spread of Coronavirus, including equipment for laboratory tests and protective body suits and gloves, as well as financial support.

The UK, France and Germany have also committed to provide a further €5 million to tackle the Covid-19 epidemic in Iran, through the World Health Organisation, or other UN agencies.

I hope this reassures you that Iran is receiving the humanitarian support it needs, despite economic sanctions.

Once again, thank you for having taken the time to contact me and if I can ever be of any further assistance to you then please do not hesitate to contact me again.

With best wishes,
