Dear Pauline,

RE: PLANNING APPLICATION 14/01704/FUL.

As you might be aware, I submitted an objection to the above planning application on the 30th November 2014, in light of very considerable concern being raised with me by local residents as part of my *Listening to Corby & East Northamptonshire Campaign*. I enclose a copy of my original letter of objection, for ease of reference.

Obviously, some time has passed since submitting that objection, but significant local concern endures – as evidenced by the correspondence and feedback that I receive from local people. Indeed, this very week, I have received a number of telephone calls, emails and letters, expressing concerns about the proposal, in advance of the Development Control Committee meeting next Wednesday.

As such, I wanted to reaffirm my strong objection, on the grounds set out previously, and I very much hope that local wishes will be respected and councillors will reject this application.

With best wishes,

**TOM PURSGLOVE
