Dear Mr Wyatt,

RE: PLANNING APPLICATION 14/01704/FUL.

I am writing to reflect local concerns which have been raised with me as part of my *Listening Campaign*, in relation to the above application. As I understand it, this application was deferred last week and will return to the Development Control Committee at a later date for determination.

As such, please find enclosed a copy of a letter submitted to yourselves by Duddington-with-Fineshade Parish Council – this encapsulates both succinctly, and effectively, the extent of local concerns relating to this application, and I very much associate myself with its contents.

I can only reemphasise the strength of local feeling I have received against this planning application, through my *Listening Campaign*, and I would therefore be most grateful if you could ensure these important points are taken into consideration when this application is determined - I would very much hope that local wishes will be respected and that it will be refused.

Yours sincerely,
